Dear Mr. Ngan,

Application for Approval of Dishwashing Machine

Brand Name & Model : SJM-200DE

(Product of Korea)

I would like to inform you that the captioned machinery has been approved for putting into commercial use by Food and Environmental Hygiene Department subject to the following conditions:

- (a) A temperature measuring device indicating the rinse and wash water temperatures during the cleaning and sanitizing operation shall be provided to the dish washing machine and must be readily available for inspection on demand by staff of the Food and Environmental Hygiene Department;
- (b) The operation temperature of the rinsing water shall be kept at a temperature of not less than 82°C; and
- (c) A copy of the manual for cleaning and maintenance of the dish washing machine shall be attached with the machine to the retailer/operator for observance.

Should there be any enquiries, please feel free to contact our Senior Health Inspector, Madam Y.Y. LAM at 2601 8220.

Yours sincerely,

(Miss Claire WONG)

for Director of Food and Environmental Hygiene
