

Ref.: (5) in FEHD 4/NT 544/06

13 November 2006

Jackwah Hong Kong Limited
Room 1221, International Trade Centre,
11-19 Sha Tsui Road,
Tsuen Wan, Hong Kong.
(Attn.: Mr. Jacky Ngan)

Dear Mr. Ngan,

Application for Approval for Dishwashing Machines
Brand Name & Model: "COLGED Steel 51HP + PS" &
"COLGED Steel 41H + PS"

I would like to inform you that the captioned machineries have been approved for putting into commercial use by Food and Environmental Hygiene Department subject to the following conditions:

- (a) The operation temperature of the rinsing water shall be set at a temperature of not less than 82 degrees Celsius;
- (b) A temperature measuring device indicating the wash and rinse water temperature during the cleaning and sanitizing operation shall be provided to the machine; and
- (c) A copy of the manual for operation and maintenance shall be attached with the machine to the retailer or operator for observance.

Should there be any enquiries, please feel free to contact our Senior Health Inspector, Mr. K.F.LEE at 3183 9232 or via email: kanflee@fehd.gov.hk.

Yours sincerely,

(Miss Ada YU)

for Director of Food and Environmental Hygiene
