29 May 2019

Dear Sir/Madam,

Application for Approval of Dishwashing Machine

Brand Name: OZTI

Model: OBY40D and

OBY500D

We would like to inform you that the captioned model of Dishwashing Machines were approved by Food and Environmental Hygiene Department on 24 May 2019 for putting into commercial use and for inclusion into the list of "Approved food utensils washing machines" subject to the following conditions:

- (a) The operating temperature of the **washing** water shall be set at a temperature of not less than **65** degrees Celsius which lasts not less than **40** seconds;
- (b) The operating temperature of the **rinsing** water shall be set at a temperature of not less than **82** degrees Celsius which lasts not less than **10** seconds;
- (c) A temperature measuring device for indicating the washing and rinsing water temperature during the cleansing and sanitizing operation shall be provided to the machine; and
- (d) A copy of the manual for operation and maintenance of the machine shall be attached with the machine to the retailer/operator for observance.

Should you have any enquiries, please contact our Senior Health Inspector, Ms. M.K. MUI at 3183 9233 / via email : mkmui@fehd.gov.hk.

Yours faithfully,

(Miss Alta HO)

for Director of Food and Environmental Hygiene
